Home Care: 70,000 Minnesotans Are Receiving A Broad Range of Services

MN Home Care Association estimates that 200,000 Minnesotans are employed in the home care field, providing a broad range of services.

PCA, Home Health Aide, Home Maker, and Companion Care

- A little help allows people to stay in their homes.
- Services provided by non-licensed care providers.
- Provide help with activities of daily living such as grooming, dressing, and shopping.
- Independence at lower cost than institutional care.

RN Nurse Visits

- Intermittent Clinical Care
- Visits can range from 1-4 hours to set up medications, make assessments, dress wounds, and provide specialized medications.

Private Duty Nursing

- High-tech clinical care in the home.
- Nursing care in the home 8 to 24 hours per day.
- Care for complex conditions including tracheotomies, ventilator care, and IV therapies.
